Venue Synopsis:
The New Hazlett Theater is a non-profit organization founded with a mission to cultivate the arts and provide a venue for world-class and neighborhood cultural events. The theater supports live theatrical productions, dance performances, and music events for both touring and local companies. With seating for audiences of 300-500, the Theater provides a significant addition to the Northside's cultural district, which includes the Children's Museum, the Andy Warhol Museum, and the Mattress Factory, among others.

Since opening to the public in September 2006, the New Hazlett has hosted nearly 900 public events, supporting the projects of 141 partners from Pittsburgh's vibrant performing arts community, serving as a professional venue that enables them to achieve their goals and objectives. In 2010/11, the New Hazlett Theater was occupied on 273 days, an occupancy rate of 75%. We welcomed 29,714 visitors, a 14% increase over the previous year's attendance.
